

NEN SRR Review

Recommendation

Originator: Scott Shaire	Recommendation# 3
Email: Scott.h.Schaire@nasa.gov	Phone: 757-824-1120
Ref. Slide:	Date: 07/08/2015

Short Summary:

Include other experts, such as the MTRSU team members, through out the project's process.

Problem/Comment:

Include on the schedule prior to PDR an open discussion of lessons learned from MTRSU, and/or other projects so that the Gateway team could repeat what was done well, and not so as to not repeat the other stuff.
