Short Summary:

Schedule possibly needs more personnel.

Problem/Comment:

Review personnel availability over the next few months to determine feasibility of meeting upcoming milestones. Take note of summer work plans for members of the NENG team.

Proposed Resolution:

Revise the schedule as necessary.

Assigned to:

Salem El-Nimri

Salem.F.El-Nimri@nasa.gov

Assigned Date:**Resolution:**

1. The schedule was revised to accommodate personnel availability and further needed communication with CSO.
2. CSO has been contacted and they indicated their need for at least 6-weeks before they can respond to any of the team's requests.
3. The team revised the schedule and
 - a. both branch management and division were briefed of the status during Aug. EED DSR.
4. Currently the PDR was shifted till December 2, 2015.
