<b>Ref. Slide:</b>	<b>Date:</b> 07/08/2015

**Short Summary:**

Schedule is possibly overly optimistic.

**Problem/Comment:**

Review schedule to determine if there is enough margin to account for unforeseen delays.  
Determine if current milestones are overly optimistic.

**Proposed Resolution:**

Revise the schedule as necessary.

**Assigned to:**

Salem El-Nimri

Salem.F.El-Nimri@nasa.gov

**Assigned Date:**

07/13/2015

**Resolution:**

1. The schedule was revised to accommodate further needed communication with CSO.
  - a. CSO has been contacted and they indicated their need for at least 6-weeks before they can respond to any of the team's requests.
2. The team revised the schedule and
  - a. both branch management and division were briefed of the status during Aug. EED DSR.
3. Currently the PDR was shifted till December 2, 2015.
