

# GSFC Software Project Initiation

Refer to Software Classification Process, GPR 7150.1, Section 1 and Appendix G  
See form completion instructions on page 5

## Initiator's Information

1a. Name:  
Martin Perrine

1b. Role:  
DAPHNE System Engineer

1c. Code:  
567

1d. Date:  
12 October 2016

1e. Email:  
Martin.Perrine@nasa.gov

1f. Phone  
6-2898

## Item(s) to be Classified

2a. Mission/Project Name:  
Data Acquisition Processing and Handling Environment

2b. Agency Project # (if applicable):

2c. Make/Buy/ Decision (Check one):  
☒ Make ☐ Buy ☐ Combination

2d. Make/Buy Additional Information:  
Commercial computer hardware running NASA Software

2e. Items to be Classified:

Go to page 2 of this form to list classification and criticality information for each CSC!

## GSFC Routing

3a. Software Manager Printed Name:  
Salem El-Nimri

3b. Software Manager Signature:

3c. Date:

3d. Select One:

☒ Approve  
☐ Disapprove

3e. Explanation for Disapproval:

4a. GSFC Software Assurance Engineer (SAE) or  
Chief Safety Officer Assurance (CSO) Concurrence  
Printed Name:  
Mr. Phillip Baldwin

4b. GSFC Software Assurance Engineer (SAE) or  
Chief Safety Officer Assurance (CSO) Concurrence  
Signature:

4c. Date:

4d. Select One:

☐ Concur  
☐ Disagree

4e. SAE/CSO Rationale for Disagreement (Complete only if Disagree is Checked in 4d):

5a. Project Manager Printed Name:  
Mr. David Carter, Proj. Mang., Near Earth Network

5b. Project Manager Signature:

5c. Date:

5d. Select One:

☐ Approve  
☐ Disapprove

5e. Project Manager Rationale (Complete only if Disapprove is Checked in 5d):

## GSFC Routing

6a. GSFC Software Engineering Technical Authority Printed Name:

6b. GSFC Software Engineering Technical Authority Signature:

6c. Date:

6d. ETA Classification:

6e. ETA Classification Rationale:
